

AUVI-Q is easy to get through home delivery.
Here's what happens next.

1

ASPN Pharmacies will text you to confirm receipt of your prescription

For fastest service, ask your doctor to include your mobile number with your prescription.

2

ASPN Pharmacies will contact your insurance plan

3

ASPN Pharmacies will call or text you to schedule delivery of your AUVI-Q

- If your prescription includes your mobile number, you'll receive a text within one business day.
- If your prescription doesn't include your mobile number, ASPN will call you to schedule delivery.
